

Clerc Center Phased Return to Campus Requirements

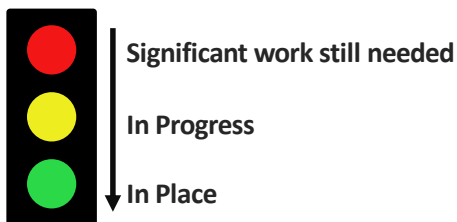

PHASE 1: FULLY REMOTE

To Move to Phase 2, the following must be established by Gallaudet University:

- COVID-19 Testing
- Contact tracing
- Isolation protocols and facilities
- Sufficient masks/PPE for all employees and students; confidence in ongoing supply
- Compliance with all local government (DC, MD and VA) phased opening requirements.
- Approval from the District of Columbia on Gallaudet’s reopening plan, which includes the above metrics.

STATUS KEY

From the time all criteria in column A are met,

- Availability of substitute teachers/personnel
- Availability of additional custodial personnel and cleaning protocols
- Assessment of transportation options to ensure social distancing
- Quarantine spaces established and stocked; policies in place parent pick-up
- Protocols established to minimize people entering KDES and MSSD
- Possible renovations to accommodate more classrooms;
- Protocols in place for temp testing of students
- Cafeteria meal service revised - pack outs or individually portioned servings.
- Furniture ordered and installed as needed
- Establish assigned restrooms and fixtures for all students and staff;
- Directional Signage in place for hallways and common areas for student/staff
- Video tutorials on all new protocols prepared and available
- Clearly defined roles for SHS and staffing in place to support these roles

PHASE 2: HYBRID

(The information here reflects our current status as of August 17, 2020)
